*FROM THE PRESIDENT...*

This season we are pleased to announce three new members to our Board of Directors.

*Ron Moores* is making a comeback! Ron was on our board from 2003-2004 as our Technical Director. He and his wife, Margaret, have been part of our volunteers for many years. During the past few years, they worked the Hospitality team together. Ron was also on our Play Reading Committee last season. Originally from Manchester, England, Ron came to Marco Island 14 years ago, and is very active in the Marco Island community. For the last 12 years, he has been a member of the Marco Men’s Club and is currently responsible for theater activities; he has been a volunteer at the YMCA for 8 years; and he is now a member of the Board of Directors of The Marco Players. Ron loves to travel, and has an extensive music and stamp collection. Ron will Chair the Play Reading Committee for this coming year. Welcome back Ron!

*Jim Swanker* is no stranger to Marco Island or to The Marco Players. Jim joined the players as their carpenter “extraordinaire” two seasons ago. His artistic talents began as a young man. Jim attended the Hussian School of Art in Philadelphia. This led to following his true passion. Creating beautiful art. Jim is a partner in Marco Light Sculptures at Waterfront Studio and Gallery. Professionally, Jim spent 23 years at East Stroudsburg University working at his other passions which include, masonry, carpentry drafting and design. Jim can build anything he chooses! Jim has designed and constructed sets for *On Golden Pond*, *The Fourth Wall*, *Baggage*, *Come Blow Your Horn*, *Seascape* and *Take Five*. Jim will work his magic again this season! Keep watching.

*Gerry Seiff* started his professional theater career at the Barn Playhouse in Bolton Landing, New York as an “actor, technician, and parking lot attendant.” His path took him to the technical side of theater, and he has produced several shows on Broadway. Gerry’s production credits include *Zelda* by Sylvia Regan, the musical, *Gatsby* by Hugh Wheeler and Off-Broadway, *Augusta* by Larry Ketron. He has worked as stage manager, lighting director and rigger for professional and community theaters. He has stage managed more than twenty productions for the Naples Players and was production manager for Stage 88. Gerry is also a director and playwright and is a member of The Dramatist Guild. His first play, *Practice Makes Perfect*, premiered at the Norris Center in Naples. Welcome aboard!

We are privileged to have them on our team!

*Beverly Dahlstrom, President*

## CHUCK DAYE SCHOLARSHIP PROGRAM

This past summer we awarded our first Scholarship. The program is for college-bound senior high school students who plan to work toward a theatrical degree.

Actually, during this past year, we received so many qualified candidates that The Marco Players awarded two scholarships. The honored recipients were Jenna Caufield and Chris Niemczyk.

Jenna is pursuing acting at the New York Conservatory for the Dramatic Arts and Chris has chosen to attend the University of Central Florida.

Guidelines for acceptance into the program, and the curriculum for the program, are posted on our website:

**[www.themarcoplayers.com](http://www.themarcoplayers.com)**

The eligible candidate will be able to get their application by going to the schools website and clicking on the scholarship section.

After reviewing all applications, and interviewing applicants, the Board of Directors of The Marco Players will award a tuition scholarship in the amount of \$1,500 to the outstanding applicant (s).

## Treasurer's Report

Congratulations to our talent, volunteers and patrons for making our last season an artistic and financial success. With over 40% of our performances sold out, all can take great pride in our little community theater. From a financial perspective, the theater accomplished a milestone as ticket sales funded our operational budget. This is an impressive accomplishment and provides a sound foundation as we plan for our future.

This financial success has enabled us to make the changes that our patrons have been requesting over the years. If you remember our first major initiative was to remove the pole, followed by a new theater entrance. We also make a worthy investment in a website to stay in touch with our patron base and provide an easy venue to buy tickets on-line. This summer we have made another investment by updating our "tech booth" lighting and sound capabilities. All of these projects have been done with the foresight of maintaining and promoting "The Best Little Theater in Southwest Florida" for our community and island visitors.

We have also decided to leverage our financial results by giving back to our community through student scholarships. This year, we granted two \$1,500 scholarships in honor of Chuck Daye to Marco Island high school students. Additionally, we are now in a position to think longer term as we have begun funding a strategic reserve.

Last year was an exciting season. And by the looks of our selected plays, the upcoming season should be just as exciting! Thank all of you for making The Marco Players successful.

*Jim Lopas, Treasurer*

## SO YOU WANT TO VOLUNTEER?!

You probably want to know a little bit about our volunteer program. Since we are a non-profit, volunteers are essential to our success. They give their time and energy and make it all happen putting together the best shows possible. Think about making the Marco Players the place for your volunteer efforts. Some of the opportunities available for you are:

- **Stage Managing** – Join the crew backstage and enjoy the chance to work along side our "family" of actors.
- **Sound and Lighting** – Our tech booth is alive with volunteers. Anyone interested in learning how lighting and sound enhance a show can get creative with four different productions. Work on one show, or all four.
- **Costuming** – If you have a flair for wardrobe or design, this is a volunteer job for you. You consult with your director and create (or find) costumes for our productions.
- **Makeup and Hair** – Make them all look great when they hit the stage.
- **Prop Manager**– All those items you see on a stage (furniture, pots, pans, ashtrays etc.) are necessary for each production. Shopping for all those props is great fun.

We would love to have you join our family!

*Marilyn Hilbert, Volunteer Coordinator*
